**TO: All Plan 1 Participants and Beneficiaries of the  
Puget Sound Electrical Workers Healthcare Trust**

**RE: Correction to the Summary Plan Description – Orthodontia Coverage**

The following corrections are made to the August 1, 2018 Summary Plan Description for Plan 1 of the Puget Sound Electrical Workers Healthcare Trust:

## **Calendar Year Maximum Benefit**

The second paragraph under Calendar Year Maximum Benefit on page 47 should read:

The *lifetime maximum* amount payable for orthodontic benefits is \$2,500 per each eligible child up to age 26.

## **Orthodontic Benefits for Eligible Children**

The last 2 paragraphs under Orthodontic Benefits for Eligible Children on page 50 should read:

The Plan pays a constant 70% of the lesser of the Allowed Amount fees or the fees actually charged, up to a *lifetime maximum* of \$2,500.

Not more than \$1,250 of the lifetime maximum is allowed for treatment during the “construction phase.” Thereafter, payment is made monthly following the construction phase, to the \$2,500 *lifetime* Maximum Benefit.

The benefit is listed correctly in the Summary of Dental Benefits on page 20.

If you have any questions, contact the Administration Office at (866) 314-4239 or (206) 441-4667, option 1.
