**TO: All Participating Employees in the
Puget Sound Electrical Workers 401(k) Savings Plan**

**RE: Annual Open Enrollment - Please note changes in the procedures for the Puget Sound Electrical
Workers 401(k) Savings Plan.**

The Annual Open Enrollment for the Puget Sound Electrical Workers 401(k) Savings Plan (“401(k) Plan”) is being held from November 1, 2023 through November 30, 2023. Any election you make will be effective with hours worked on and after January 1, 2024. The 401(k) Plan permits participants that are receiving employer contributions to defer salary under a defined set of alternatives.

Contributions

- The hourly deferral election alternatives are \$1, \$2, \$3, \$4, \$5, \$6, \$7 and \$8. If you will be age 50 or older before January 1, 2025, *you can alternatively elect* \$9 or \$10 per hour salary deferral rate under the Plan’s added catch-up contribution feature.
- If an election has not been made, no salary deferral will occur. If an election has been made, the election will apply while you are receiving employer contributions to this Plan until you affirmatively elect to change it.
- New participants (first employer contributions) are allowed to elect to defer salary within the first 60 days of working in Local Union 46 jurisdiction.

In 2024, apprentices are allowed a one-time change to their wage deferral elections outside the open enrollment period coincident with or following a wage rate increase.
