How It Works

To get started, Foundations asks you about your goals. Maybe it's wanting to sleep better, or to be less stressed or to have more confidence in yourself. Using your answers, the platform creates individualized experiences through interactive programs, skill-building tools and inspirational resources you access right from your smartphone or tablet.

These experiences help you:

- Eliminate stress and anxiety
- Overcome mental barriers

All the while, the program tracks your progress and keeps you motivated on your journey to a better you.
